Product Requirements Document (PRD)

Project Name: NEUVY Eco-Care Web Platform
Target Platform: Google AI Studio / Lovable / Web Canvas
Version: 1.1 (Updated Visual Identity & Branding)
Document Owner: NEUVY Eco-Care Team
Target Audience: UI/UX Designers, AI Web Builders, Front-End Developers

---

1. Executive Summary & Brand Positioning

1.1 Project Purpose
The NEUVY Eco-Care website serves as the digital front for a high-end medical hygiene ecosystem tailored for dermatology, aesthetic, and laser clinics. The site establishes clinical authority, communicates patient safety, and demonstrates societal health impact—specifically focused on women's health and wellness—without disclosing sensitive chemical formulas or proprietary AI algorithms.

1.2 Brand Identity & Tone
* **Brand Name:** NEUVY Eco-Care
* **Logo:** Official NEUVY Eco-Care Emblem (Preserving the original green globe, leaf accent, and golden orbit element).
* **Design Philosophy:** Clinical authority, pristine cleanliness, soft modern aesthetics, and female-centric healthcare empowerment.
* **Tone of Voice:** Authoritative, empathetic, modern, and transparent.
* **Color Palette (Updated for Women-Centric Focus):**
  * **Primary Background:** Warm Cream / Pearl (`#FDFBF7`)
  * **Secondary Background:** Soft Blush Rose (`#FFF2F4` or `#F9E8E8`)
  * **Primary Accent (Logo Alignment):** Deep Forest Green (`#1E3A2B`)
  * **Secondary Accent:** Soft Rose Gold / Gentle Pink (`#E8B4B8`)
  * **Highlight Accent (Logo Alignment):** Warm Brass / Gold (`#C5A059`)
  * **Text Color:** Charcoal Gray (`#2C3E35`)

---

2. Information Architecture & Navigation

2.1 Navigation Bar (Sticky Header)
* **Logo:** Original NEUVY Eco-Care brand emblem (Left-aligned).
* **Navigation Links:**
  * Home (`/`)
  * The System (`/system`)

* **CTA Button (Right-aligned):** "Partner With Us" (Styled in Soft Rose Gold / Green, anchor scroll to contact footer).

---

3. Detailed Page Requirements

Page 1: Home Page (`/`)

Section 1: Hero Banner
* **Headline:** Redefining Medical Safety & Trust in Aesthetic Clinics
* **Subheadline:** NEUVY Eco-Care delivers uncompromising hygiene solutions designed to protect women and guarantee absolute safety during clinical and aesthetic procedures.
* **CTAs:**
  * Primary Button: "Explore Our System" $\rightarrow$ links to `/system` (Forest Green background with Gold/Rose hover)
  * Secondary Button: "Get in Touch" $\rightarrow$ scrolls to Contact Form
* **Visual Asset:** High-resolution clinical aesthetic suite featuring soft rose and warm gold ambient lighting, combining clinical perfection with feminine elegance.

Section 2: The Healthcare Challenge (The Gap)
* **Header:** Invisible Risks in Modern Aesthetics
* **Body Text:** Millions of women visit aesthetic and laser clinics annually trusting their care providers. However, traditional surface sanitization often leaves behind invisible, resistant viral risks. We bridge this critical gap between high-end care and verified patient safety.

Section 3: Core Value Pillars (Card Layout)
* *Cards designed with subtle Soft Blush Pink backgrounds (`#FFF2F4`) and Forest Green borders/typography.*
* **Card 1: Uncompromising Patient Safety**
  * *Description:* Active protection against cross-contamination during specialized clinical procedures.
* **Card 2: Guaranteed Clinical Trust**
  * *Description:* Transforming invisible hygiene into a verifiable asset for forward-thinking clinics.
* **Card 3: Sustainable Medical Hygiene**
  * *Description:* Formulated for high-frequency clinical use with zero harsh chemical residue.

Section 4: Social & Women's Health Impact
* **Header:** Empowering Women Through Safe Healthcare
* **Content:** Dedicated to raising clinical safety standards across regional healthcare hubs, ensuring every woman feels protected, valued, and completely safe during every treatment.

Page 2: The System & Product Overview (`/system`)

Section 1: Page Hero
* **Headline:** The NEUVY Eco-Care Ecosystem
* **Subheadline:** An integrated, closed-loop hygiene workflow built specifically for modern dermatology, laser, and aesthetic centers.

Section 2: Clinical Workflow (3-Step Interactive Process)
1. **Step 1: Seamless Clinic Integration**
   * *Description:* Blends into daily clinic protocols before and after patient sessions without slowing down operations.
2. **Step 2: Verified Surface Protection**
   * *Description:* Ensures treatment beds, equipment, and shared contact areas achieve rapid, thorough microbial safety.
3. **Step 3: Patient Peace of Mind**
   * *Description:* Provides visible proof of safety, building long-term trust between patients and practitioners.

Section 3: Societal Impact Spotlight
* **Header:** Elevating Public Health Standards for Women
* **Content:** Focused on reducing cross-contamination risks in outpatient facilities, building a culture of preventive health, and giving women complete confidence during every visit.

Section 4: Call-to-Action (Footer Banner)
* **Background:** Elegant gradient transition between Deep Forest Green and Soft Blush Rose.
* **Headline:** Ready to Elevate Your Clinic’s Safety Standard?
* **Subheadline:** Join leading aesthetic clinics in adopting the NEUVY Eco-Care standard.
* **Form Inputs:** Name, Clinic Name, Location, Phone Number, Email.

---

4. Technical & Non-Functional Requirements

4.1 Technical Stack Compatibility
* Designed for standard HTML5/CSS3, React, Tailwind CSS, or prompt-based builders (Lovable, Web Canvas, Google AI Studio).
* Fully responsive across Mobile (375px+), Tablet (768px+), and Desktop (1440px+).

4.2 Exclusion Rules (Strict Compliance)
* **No Technical Chemistry:** Exclude terms like *Accelerated Hydrogen Peroxide*, *pH 2.2*, *color indicator*, or *Virocid*.

* **No AI/Hardware Details:** Exclude technical terms like *IoT docking station*, *computer vision*, *PCB*, *RFID*, or *edge computing*.
* **Focus:** Highlighting clinical safety, trust, brand authority, and female health protection.
